

Ginevra Rossini
PERSONAL PROFILE

Ginevra was born in Milan and after graduating in economics and management at Bocconi University moved to New York to work for Spring Studios. There she had access to the central hub of creative industries and worked as Project Manager for brands like Louis Vuitton and Moncler, where she developed a need to do her own thing, and this is when she started Give Me Space with an investor, realising her dream to reach for the stars and making it literally reality, at least in terms of the fashionable ones.

SHE WORKED FOR

Spring Studios, Founder Give Me Space.
