

Giulio Scarano

PERSONAL PROFILE

Born in Treviso, he moved to Milan to study Communication. After his bachelor's degree, he took his passions a step further by experimenting with visual arts and music, joining a pop band as a drummer and working as a filmmaker. He soon started working as an actor for TV shows and commercials, taking part in more than 100 campaigns for both Italian and international brands. Over the past year his attention shifted to photography and, driven by his experience in production, he has started creating engaging social media content.

HE WORKED FOR

Heineken, Volkswagen, Wind, Barilla, E-price, Invictus, Azimut, Amaro Montenegro, Manuel Ritz.
